

Meridian School Admission arrangements for 2018/19

The school will have a published admission number (PAN) of 213.

Section 324 of the Education Act 1996 requires the governing bodies of all maintained schools to admit a child with a statement of special educational needs that names their school. Schools must also admit children with an EHC (Education, Health and Care) Plan that names the school.

Rule 1 Children in public care (children looked after) and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or a special guardianship order).

Rule 2 Medical or Social: Children for whom it can be demonstrated that they have a particular medical or social need to go to the school.

Governors will determine whether the evidence provided is sufficiently compelling to meet the requirements for this rule. The evidence must relate specifically to the school applied for under Rule 2 and must clearly demonstrate why it is the only school that can meet the child's needs.

Rule 3 Sibling: Children who have a sibling at the school at the time of application, unless the sibling is in the last year of the normal age-range of the school. Note: the 'normal age range' is the designated range for which the school provides: Years 9 to 13 for this upper school.

Rule 4 Children who live in the priority area for whom it is their nearest Hertfordshire maintained school or academy that is non-faith, co-educational and non-partially selective. *Note: Non-partially selective means that the school does not offer any places based on academic ability.*

Rule 5 Children who live in the priority area who live nearest to the school. Priority Area 4: Buntingford, Puckeridge and Royston.

Rule 6 Children living outside the priority area on the basis of distance, with those living nearest to the school given priority.

These rules are applied in the order they are printed above. If more children qualify under a particular rule than there are places available, a tiebreak will be used by applying the next rule to those children. Where there is a need for a tie-breaker where two different addresses measure the same distance from a school, in the case of a block of flats for example the lower door number will be deemed nearest as logically this will be on the ground floor and therefore closer. If there are two identical addresses of separate applicants, the tie break will be random.

Priority Area

The co-educational priority area in the admission rule is based on the following towns, parishes/unparished areas.
