

7th February 2017

Head: Kim Horner BA (Hons), MEd (Acting)

Dear Parents/Carers

Update on Science Department and Apollo House

As many of you may have already heard, Mrs Pizzigallo is leaving Meridian at the end of this half term to start a new post in another school.

Science arrangements

I am really pleased to be able to tell you that we have appointed a qualified science teacher - Mr George - to join the Science Department from the start of the new half term, on 20th February, to take over Mrs Pizzigallo's classes.

There will be some reorganisation of groups in Y11 in the lead up to the exams with chemistry classes being taken by Mrs Andrews, Mr George and Mrs Dunham. Our aim is that all classes give our students the best possible opportunity to be successful in their science GCSEs.

House arrangements

For those students in Apollo House, tutors remain exactly the same with the tutor groups being overseen by the following Senior Tutors until May half term:

JRW will be overseen by Mr Choudhry

JC will be overseen by Mrs Webb

JBE and SB will be overseen by Mrs Sansom and Miss Rooney

In addition, all students have a Year Leader allocated to them and this will continue without any change:

Y9 - Mr Choudhry

Y10 - Mrs Webb

Y11 - Mrs Sansom and Miss Rooney

If you have any queries about the above, please contact the school office via email office.meridian@rsat.org.uk who will direct your query to Mrs Dunham (Head of Science) or to the Year Leader.

Yours sincerely

Miss K Horner
(Acting Headteacher)
