Dear Parent/Carer,

Science Revision Books

As you may be aware the Science GCSE's are assessed through exams taken at the end of Year 11. It is recommended that students purchase a revision book to support their learning at home if they haven't done so already.

There are several revision books available which we have found always makes a big impact on pupils' confidence and performance in exams. As a school, we can offer the CGP range of books at a 50% discount of £3 each, compared with the RRP of £5.95. Some of the books are available at various tiers (Higher and Foundation) depending on your child's target grade. As a general guide, if your child has a target grade of B or above they should get the Higher books. If it is a C or lower, they should get the foundation books. Your child's teachers will help them decide which would be best suited to their needs.

Should you wish to purchase any revision guides for your child, please complete the attached order form and have your child return to Finance Office by Friday 10th March 2017. The books are usually delivered within a week.

Yours sincerely,

Charmain Dunham
Head of Science

Return to Finance Office by Friday 10th March 2017.

Name of pupil..... Form.....

Science Group Name..... Science Teacher

I would like to order the following books (please circle the 'Tier' of the book you wish to purchase:
